

The Clubhouse of St. Joseph County is hiring a Program Manager (One-Year Grant Funded position) to work with individuals living with mental illness in our South Bend, Indiana Clubhouse location. We work with members of the Clubhouse to create opportunities to work and learn while using their talents in a community of mutually respectful relationships. Clubhouses are a powerful demonstration that people with mental illness can and do lead normal, productive lives. Clubhouses are local community centers that provide members opportunities a safe stigma-free zone to build long-term relationships that, in turn, support them in obtaining employment, education and housing. Information on Clubhouses can be found at www.clubhousesjc.org and www.clubhouse-intl.org .

The Program Manager primary responsibilities include:

- Implement and ensure the practice of the Clubhouse philosophy and standards for Clubhouse International accreditation.
- Assist Executive Director in the hiring, orientation and training of staff and interns.
- Serve as Staff Lead on Standards and Programs Committee of the Board of Directors.
- Work with Executive Director in developing and implementing data tracking systems and outcome measurement.
- Work with Executive Director and Board of Directors in development of strategic plans, and in measuring the effectiveness of Clubhouse and satisfaction of Members.
- Make decisions regarding the administrative functioning of Clubhouse SJC in the absence of the Executive Director.
- Provide clinical supervision of program staff in accordance with Medicaid guidelines.
- Ensure timely completion of, and reviewing and signing, clinical documentation as needed.
- Organizing, scheduling, supervising, and participating in some evening, weekend, and holiday activities.
- Working toward continuous quality improvement in processes relating to outreach to members who have not been attending Clubhouse.
- Work to develop wellness centered initiatives and programs.
- Responsible for the development and overseeing of Transitional and Supported employment opportunities.
- Supervise and provide recovery centered services for members of Clubhouse SJC utilizing the Evidenced-based Clubhouse Model for Psycho-social Rehabilitation.
- Supervise and facilitate connecting members to Oaklawn Open Access for initial Assessments and Treatment Plans for new participants or returning members.
- Develop, facilitate, and ensure policies and procedures surrounding ANSAs and treatment plans for members who are primary to Clubhouse SJC.
- Work to establish collaborative partnerships with other area agencies who can supplement Clubhouse SJC goals and programs in providing more robust and voluminous community supports for Members.
- Perform other duties as assigned by the Executive Director or other designated supervisor.
